BALA NAMED “BEST PLACE TO WORK IN PA” FOR 2008!

Bala Consulting Engineers was named a “Best Place to Work in PA” for 2008! This designation is awarded by the PA Department of Community and Economic Development, the PA Chamber of Business and Industry, the Team Pennsylvania Foundation, and the Central Pennsylvania Business Journal.

Bala was selected as one of 50 mid-size firms in Pennsylvania to receive this prestigious award. The two-part process to determine the award recipients entailed an evaluation of the company’s policies, practices and philosophies, as well as a survey of all our employees to measure their opinion of Bala.

On December 2, 2008 Bala will be recognized and honored at the Best Places to Work in PA awards ceremony and our final ranking among the 50 mid-size firms will be revealed.
